

October 1, 2014

IS01

TO: Memorandum for Record

FROM: IS20/Center Directives Manager

SUBJECT: Expiration of MWI 1810.1, Automated External Defibrillator (AED)
Program/with Change 1 (3/15/13)

In accordance with NPR 1400.1, 3.4.2.6, "NASA Directives and Charters Procedural Requirements," subject document MWI 1810.1 expired and was moved to the MSFC Directives Master Cancellation List.

The requirements for MWI 1810.1 were incorporated into MPR 1810.2, Automated External Defibrillator (AED) Program approved September 29, 2014. Therefore, the MWI is no longer needed.
